

Innovative Workforce Solutions

Breaking down barriers to employment for people with disabilities, people facing disadvantages, and veterans.

At Easterseals, we know how important it is to find quality employees with the right skills who will grow with your organization.

We communicate with you to learn your needs and find you applicants tailored to those needs.

Our work is not done when you offer our applicants a job. We continue training, coaching, and following alongside them through the duration of their employment.

Our diverse staff of job developers, job coaches and retention coaches ensure that the employee we find for you will remain with your business and grow with it.

We mentor our individuals in a variety of areas to ensure a well-rounded work performance.

We have a wide pool of candidates looking for part-time and full-time work. Our staff can create innovative solutions for your unique workforce needs.

Employing our individuals can make you eligible for a business tax credit and create goodwill within your organization.

We train individuals in industries that include but are not limited to:

- Janitorial services
- Clerical work
- Logistics and packaging
- Data Entry
- Construction
- Phlebotomy
- Nursing
- Assembly
- Food service

Hiring Easterseals individuals makes good business sense. It's good for your bottom line, good for your company infrastructure, and good for the community. Contact us today to learn how we can meet your needs.
