Developing a Driver Safety Program

11:00 a.m. - 12:00 p.m.
7.28.2020

This webinar will give attendees information needed to develop a Driver Safety Program to help reduce costly injuries, fatalities and property damage. Attendees will learn how to protect their organization's human and financial resources, to guard against company and personal liability associated with auto accidents, and tips on how to reduce the risk of life-altering injuries.

- This webinar does not offer credit.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. You can click the link at any time and go to the log-in page.
