Temporary Workers: Health and Safety Issues for Staffing Companies

11:00 a.m. - 12:00 p.m.
9.1.2020

This webinar will focus on best practices for staffing companies as part of their joint responsibility with the host employer for providing a safe and healthful workplace for temporary workers. A brief discussion of host employer responsibilities will be included. Specific topics will include staffing agency and host employer safety responsibilities, staffing agency assessment of host employer safety risks, claims management and claims prevention tactics, staffing agency safety program content, and use of staffing agency workers compensation data to identify safety program enhancements.

- This webinar does not offer credit.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. You can click the link at any time and go to the log-in page.
