

Virtual Assistance and Resources from Ohio EPA and OSHA's On-Site Consultation Program

November 4, 2020
10a.m.-11a.m.

Free and Confidential Services

Do you wear multiple hats managing your business's environment, safety and health regulations? Wouldn't it be nice if there were someone who could answer your questions without raising a red flag? Ohio EPA and OSHA's On-Site Consultation Program have teams across the state who provide free and confidential services to help you navigate these complex regulations. Attend this session to hear about the resources we offer and how we continue to serve you in today's virtual environment.

Presenters: Keith Bullock, BWC and Jessica Caceres, Ohio EPA Division of Environmental and Financial Assistance (DEFA), Office of Compliance Assistance and Pollution Prevention (OCAPP)
